Helping Hearts International: A Global Impact

Get ready to witness a monumental success! Helping Hearts International **Radio will launch in 180 countries** during October 2024, from the Island of St Lucia, reaching millions of lives and igniting a wave of positive change across the globe.

This is just the beginning! With exciting ventures on the horizon, you can join directly or team up with **fellow NEC members** to create a shared success story and more importantly breaking the cycle of poverty and exclusion. Together, we can make a difference that reverberates throughout the world.

The Vital role that **NEC** will play in supporting its members with the **HHI PROJECT**

Reflects the role of the **NEC, which will administer and manage the entire process on behalf of its members until they feel comfortable managing it independently:**

Process Description Role of **NEC:**

- The **NEC** will identify, investigate and approve service providers on strict criteria, before the opportunity is presented to our NEC members
- Purchase Position in Helping Hearts International: **NEC** buy your position in the Helping Hearts International crowdfunding model for \$10+exchange fees (approximately R250, depending on the exchange rate). **NEC** will administer and manage the entire process of purchasing the position on behalf of the member.
- Transfer Funds to Crypto Platform: Transfer R250 (or equivalent) to a crypto platform to initiate the transaction. **NEC** handles the transfer of funds to the crypto platform for the member.
- Purchase USDT (TRC20) Token worth \$10 on the chosen crypto platform. **NEC** manages the purchase of USDT tokens on behalf of the member.
- Send USDT to Helping Hearts during registration, along with your personal details. **NEC** completes the USDT transfer and registration for the member with Helping Hearts.
- Position Registered & Paid: You are now registered, and your position is paid for on Helping Hearts. **NEC** ensures the registration is confirmed.
- Funds Withdrawal from Helping Hearts: Once you reach a withdrawal stage, you receive USDT in your Helping Hearts wallet. **NEC** administers the withdrawal process on behalf of the member when funds are available.
- Transfer USDT to a Crypto Platform: Transfer the USDT from your Helping Hearts wallet to your crypto platform. There will be transaction costs (assumed at \$10). **NEC** manages the transfer of USDT from Helping Hearts to the member's crypto platform.
- Sell USDT & Convert to Rands: **NEC** handles the sale of USDT and conversion into Rands on behalf of the member.
- Transfer Rands to YOUR bank account after converting your funds to Rands.
- Training for Independence: **NEC** will continue to manage the process for members until they feel comfortable to handle it on their own. **NEC** provides training and support until members are ready to manage the process independently. **NEC** takes full responsibility for managing the entire process for its members until they are confident enough to manage it themselves.

How to register with **NEC**:
